

ILG ANNOUNCES THE PROMOTION OF FERNANDO FORNO TO VP OF MANAGED ACCOUNTS, AND THE ADDITION OF THREE NEW SALES REPRESENTATIVES TO HIS TEAM.

ILG (International Laser Group) promotes **Fernando Forno** to VP of Managed Accounts, and the addition of three new sales representatives to the growing sales team. Fernando has been with ILG for over 10 years and brings extensive experience in the toner cartridge manufacturing business.

Reflective of the company's commitment to build a dynamic and strong sales team, Fernando Forno will play a leading role in the growth of ILG managed accounts.

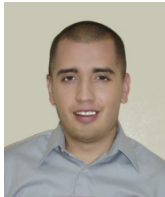

Three new sales representatives in the managed accounts division are:

- **Chris McKay, Senior Sales Representative.** Chris McKay brings over 10 years experience in the imaging supplies business. Chris's diverse background includes responsibility as a customer service manager as well as a branch manager of information and technology.

- **Renee McQuinn, Senior Sales Representative** has over 15 years of experience in the office solutions and imaging supplies business as a sales representative and training manager. She focuses on clients needs to customize innovative ways to help build their business and increase profits.

- **Jorge Gutierrez, Account Executive** has worked for ILG as a customer service representative for the past two years. Jorge has successfully proven his sales and customer relations skills.

Joe Shulman, Sr. V.P. of Client Relations comments: *"These promotions are a result of their ability to retain and gain new customer relationships. We are very pleased to have such a dynamic sales team. Fernando has the leadership skill to motivate and bring the team to their top performance level. Our managed accounts team collaborates with our strategic national sales team, and they contribute to significant growth of ILG's client outreach and revenue growth."*

ILG is a leading manufacturer of high-quality compatible cartridges including HP compatible color toner cartridges, exclusive JUMBO color line, monochrome, MICR toner, thermal transfer products and inkjets. ILG manufactures more than 700 SKUs and is one of the world's top private-label, contract manufacturers and distributors of compatible imaging supplies. Located in Woodland Hills, CA and we operate four additional distribution facilities in California, Illinois, Texas and Pennsylvania enabling us the nationwide distribution.
