

## ILG Raises Relief Funds for the Tornado Victims In Missouri and Midwestern States

**“ILG will make a contribution from each cartridge sold”**

**ILG (International Laser Group)** raises funds to assist unfortunate victims of the devastating tornado that hit Joplin, Missouri on Sunday, May 22, 2011.

The tornado's nearly 200-mph winds leveled much of Joplin, crushing cars and destroying homes, business, churches and hospitals with a tremendous loss of life. The devastating tornado in Joplin was one of dozens reported across several Midwest states over the weekend.

ILG extends sympathies and well wishes to those who have suffered through these disasters. As part of the world community, ILG is taking a leadership role in corporate citizenship to assist those victims of catastrophe. ILG has always made efforts throughout its 23 years to help those in need through charitable contributions.

Mr. Gary Michaels, COO, urged all ILG employees and families to contribute funds to help the victims. Mr. Michaels and Mrs. Michaels have pledged that ILG will make a contribution from each cartridge sold for the next 30 days to the American Red Cross disaster relief fund.

ILG is proud to respond to the much needed relief efforts. If you would like to participate, we urge all of you to join the relief efforts. Please contact ILG or your designated relief organizations, or log on-to ILG (International Laser Group) via email, LinkedIn, or FaceBook for comments.
