DISCOVER THE DIFFERENCE.... QUALITY, SERVICE, AND ACCOUNTABILITY

## ***Discover the Difference.***

At ILG, our mission is to be the premium supplier of OEM alternative toner cartridges and imaging supplies. In support of this mission, ILG aims to be the most customer friendly organization in the imaging industry, making our customers' daily lives easier and more efficient.

The ILG business model is built around customer service and satisfaction. ILG customers rely on us for innovative, effective, proactive and convenient solutions that will help them maximize productivity. Our customers expect quality-assured, first-to-market products that meet or exceed OEM performance.

ILG's comprehensive selections of OEM alternative toner cartridges include: Quality laser toner cartridges in monochrome and color, JUMBO COLOR® toners, MICR, thermal transfer products and maintenance kits. As the solutions-oriented imaging supplies manufacturer, ILG is also one of the top private label contractors in North America. ILG's five strategically located regional distribution centers also allow us to offer same-day shipping and next-day delivery for your convenience.

ILG is committed to remaining responsive and flexible because your success is important to us. We remain a family-owned company and we treat our customers with respect and integrity.

### Stringent Manufacturing Process - Quality Assurance

- ▶ Pre and Post-testing - ILG post-tests 100% of its cartridges for image density, resolution and page yield. Any cartridge that does not pass all criteria is reviewed, reworked and retested prior to its release.
- ▶ ILG manufacturing processes for black toners are STMC certified

### ILG's Color Cartridges Advanced Technology & Engineering

- ▶ **The Smart Color System™** is a proprietary system of ILG's advanced color manufacturing technology: The system integrates the **"TCB Technology™"**, **The Turbo Cleaning Blade™**, and **the Leak-Guard System™** (the leak proof clean seal) system.

► **MPS Certified™ Cartridges**

No. 1 in performance and consistency.  
Engineered to support your MPS customers. Lowest CPP

► **ILG Smart Color System™ Technology**

The Smart Color System™ utilizes the “TCB Technology™” (the Turbo Cleaning Blade), and the “Leak-Guard System™” (the leak proof clean seal) system. The use of these technologies is designed to enhance cleaning of the receptor drum and thus eliminate the toner dusting, provides a clean seal pull, and also maintain the consistency of color print quality from the beginning to the end of cartridge life.

► **JUMBO COLOR®**

JUMBO COLOR® toners are OEM alternative laser toner cartridges designed for use in HP color LaserJet printers. The product is engineered and manufactured in North America by ILG and produces 20% to 30% higher page yield without compromising the quality.

### ► ILG MICR

ILG's MICR cartridges are subjected to the most stringent testing procedures to meet the highest quality standards. Every MICR cartridge must also meet the **American Bankers Association's requirements** as well as **the American National Standards Institute's signal strength minimums**.

**These tests ensure each product meets and complies with both US and Canadian standards.**
